The Goods and Services Tax (GST) system which was implemented since 1 April 2015 is slated to be replaced by the Sales and Service Tax (SST) system. In the transition, the supply of goods and services in Malaysia will be subject to GST at 0% instead of 6% with effect from 1 June 2018.

Our half-day talk on GST to SST will guide you through transitional issues, recommend practices and also answer your concerns about the change of GST rate from 6% to 0%, as well as the transition from GST to SST.
