Date: Thursday, 15 November 2018

Time: 8.30am - 5.00pm

Venue: Orchid 3 Hall

Thistle Johor Bahru Hotel

The 2019 Budget, the first budget under the new government will be tabled in the Parliament on 2nd November 2018. The budget has a tall order to meet, balancing the people's expectations while being fiscally responsible.

The budget will focus on trickling down the country's economic growth to the people while providing proactive economic measures to manage inflation rates.

Will we see a tax reform and new taxes in the coming budget? How will the budget impact us, businesses and our country?

Join our full day seminar to get insights from our tax team on various topics concerning the country's economic outlook and taxation matters.

Our tax team will be presenting an overview of the 2019 Budget, followed by common issues in a tax audit. This seminar will also cover corporate tax and indirect tax updates as well as transfer pricing audit and updates.
