Malaysia's Budget 2026 will be tabled in Parliament on 10 October 2025. It marks the first Budget under the 13th Malaysia Plan (13MP) 2026–2030, while reaffirming the three pillars of Ekonomi MADANI - Raising the Ceiling of National Growth, Raising the Floor of Living Standards, and Driving Reform and Good Governance.

Amid global uncertainties and growing competition, Budget 2026 will remain focused on advancing Malaysia's long-term economic reform agenda, while also addressing near-term challenges to sustain growth and safeguard economic resilience. At the same time, it will enhance the well-being of the rakyat through targeted, outcome-driven measures aimed at improving overall quality of life.

Join us in our seminar to explore the strategic measures outlined in the Budget 2026 proposals, gain valuable insights from our esteemed speakers and participate in an engaging panel discussion and Q&A session covering the latest tax developments and economic outlook for 2026.
