Malaysia will unveil Budget 2027 on 9 October 2026, setting the direction for the nation's next phase of economic growth and reform as it enters the second year of the 13th Malaysia Plan (13MP) 2026–2030. The Budget continues to be anchored in the MADANI Economy framework, with a dual focus on strengthening Malaysia's competitiveness and growth potential while expanding opportunities and improving the well-being of the rakyat.

Against a backdrop of global uncertainties, technological disruption and evolving economic priorities, Budget 2027 is expected to further advance Malaysia's reform agenda and strengthen the country's position for long-term growth.

Join our seminar to explore the strategic measures outlined in the Budget 2027 proposals, gain valuable insights from our esteemed speakers and participate in an engaging panel discussion and Q&A session covering the latest tax developments and economic outlook for 2026.
